1. PURPOSE

Carrier Wheels Pvt. Ltd. ("CWPL") is committed to responsible waste management to minimize environmental impact, ensure legal compliance, and promote resource efficiency.
This Policy establishes a structured approach for segregation, storage, handling, recycling, and disposal of wastes generated from manufacturing and allied activities.

2. SCOPE & APPLICABILITY

This Policy applies to:

- All manufacturing and support operations
- All employees, contractors, and visitors
- All waste generated at CWPL premises

It covers hazardous and non-hazardous wastes, including solid, recyclable, and special waste streams.

3. POLICY COMMITMENT

CWPL commits to:

- Complying with applicable environmental and waste management laws
- Segregating waste at source
- Maximizing reuse and recycling
- Ensuring safe storage and authorized disposal
- Preventing pollution and environmental harm

4. WASTE IDENTIFICATION & CLASSIFICATION

CWPL identifies and manages the following waste categories generated at its Value Yard and operations:

4.1 Metal & Industrial Scrap

- Iron drum
- Chips scrap
- Welding scrap
- MS/Electric scrap
- Empty paint spray bottles
- Metal Container

Disposal Method:
✓ Stored separately

Zoho Sign Document ID: DF932DC14-SS579IIYDPHQNL63KZ7FOOD_0CKAYCFFSZXJ9HI14I4

✓ Sent to authorized recyclers
✓ Disposal frequency: Monthly

4.2 Plastic Waste & Containers

- Plastic drum (200 L)
- Empty paint drums (20 L)
- Empty plastic cans (20 L, 40 L, 25 L)
- Plastic scrap

Disposal Method:
✓ Segregated plastic storage
✓ Reuse where feasible
✓ Disposal through authorized recyclers (monthly)

4.3 Paper & Packaging Waste

- Corrugated boxes / sheets
- Paper scrap (welding dross-related packing)

Disposal Method:
✓ Collected separately
✓ Sent for recycling once per month

4.4 Rubber, Cloth & Miscellaneous Waste

- Rubber scrap
- Cloth gloves / masks
- Mixed scrap (fabric & maintenance waste)

Disposal Method:
✓ Segregated storage
✓ Disposed through authorized waste handlers

4.5 Electronic & Electrical Waste

- Electronic miscellaneous scrap

Disposal Method:
✓ Stored safely
✓ Disposed only through authorized e-waste recyclers

4.6 Hazardous & Special Waste

- Used oil (all types)

Zoho Sign Document ID: DF932DC14-SS579IIYDPHQNL63KZ7FOOD_0CKAYCFFSZXJ9HI14I4

Disposal Method:

✓ Stored in labeled containers

✓ Disposed through authorized hazardous waste recyclers

✓ Records maintained as per authorization

5. WASTE SEGREGATION & STORAGE

CWPL ensures:

- Waste segregation at source based on waste type
- Clearly identified and designated Value Yard areas
- Use of labeled containers and bins
- No mixing of hazardous and non-hazardous waste

Waste is stored in a manner that prevents leakage, spillage, or contamination.

6. WASTE HANDLING & DISPOSAL

CWPL ensures that:

- Waste is handled safely to avoid health and environmental risks
- Disposal is carried out only through authorized vendors
- Disposal frequency is maintained as per operational planning (typically once per month)
- Recyclable waste is prioritized for recycling over disposal

7. ROLES & RESPONSIBILITIES

Management

- Ensure implementation of this Policy
- Provide resources for effective waste management

EHS / HR / Admin Function

- Monitor waste segregation and storage
- Maintain disposal records and recycler authorizations
- Coordinate with authorized waste vendors

Employees & Contractors

- Follow segregation and disposal instructions
- Avoid littering and improper disposal
- Report waste-related concerns

Zoho Sign Document ID: DF932DC14-SS579IIYDPHQNL63KZ7FOOD_0CKAYCFFSZXJ9HI14I4

8. TRAINING & AWARENESS

CWPL:

- Provides awareness to employees on waste segregation
- Displays waste handling instructions at designated areas
- Encourages responsible waste behavior

9. RECORD KEEPING & DOCUMENTATION

CWPL maintains records related to:

- Waste quantities generated
- Disposal and recycling details
- Authorized vendor documentation
- Hazardous waste manifests (where applicable)

10. TARGETS & CONTINUAL IMPROVEMENT

CWPL strives to:

- Increase segregation efficiency across all waste streams
- Maximize recycling of metal, plastic, and paper waste
- Reduce generation of mixed and non-recyclable waste
- Review waste management practices periodically

Targets are reviewed based on operational data and compliance requirements.

11. COMPLIANCE & AUDIT

CWPL complies with:

- Applicable environmental and waste management laws
- Conditions of Consent to Operate (CTO) and Hazardous Waste Authorization

Waste management practices may be reviewed through internal audits and inspections.

12. POLICY REVIEW

This Policy shall be reviewed periodically to ensure:

- Continued compliance
- Alignment with operational changes
- Improvement in waste management performance

Zoho Sign Document ID: DF932DC14-SS579IIYDPHQNL63KZ7FOOD_0CKAYCFFSZXJ9HI14I4

13. APPROVAL & EFFECTIVE DATE

This Waste Management Policy is approved by the Management of Carrier Wheels Pvt. Ltd. and is effective from the date of issue.
